Laying of Line Will Soon Begin.

The laying of the natural gas pipe lines into this city by the Central Kentucky Natural Gas Company will be begun at the earliest possible date following the securing of a franchise from Bourbon and Clark counties. The action of the Bourbon Fiscal Court yesterday in deferring action until the May session will delay matters somewhat, but there is little doubt the franchise will be granted.

Col. Tom Stewart, of Winchester, who was in the city yesterday before the court and who presented the franchise, stated that after presenting the franchise here he would go to the Clark county court at its regular meeting next week. This court, he says, will readily grant the franchise.

The laying of the pipe lines, according to Col. Stewart, will begin within sixty days after the franchise through the two counties is secured. Some time will be required to get the pipes on the ground, but barring any delays active work will begin soon. It will be pushed to an early completion and it is practically assured Paris will have natural gas by fall.

Fire Results from Explosion

The explosion of a coal oil stove caused a considerable blaze in the apartments occupied by Bruce Huddleston over the store of Harry Ogden about six o'clock Wednesday morning. The explosion followed the attempt of Huddleston to light the stove and for a time it looked as though a serious fire would be the outcome.

A prompt response on the part of the fire department probably saved an entire block of the business section from destruction. Two lines of hose were run into the building and the second floor flooded. By a desperate effort the flames were confined to the room in which they started.

The storeroom occupied by Mr. Ogden was badly damaged by water and his stock suffered considerable. Huddleston was badly burned about the hands and face while making an effort to smother the flames. The loss will amount to about \$300.

Fire, wind and lightning insurance. Thomas & Woodford.

Condemnation Case Is Ended.

As soon as the verdict was announced counsel for both sides asked for time in which to decide on the question of an appeal.
